www.munibondadvisor.com/rating.htm

Moody's Bond Rating

Ratings are assessed on the following factors: economy, debt structure, financial condition, demographics, and management practices of the governing body and administration.

"Aaa" - Best Quality

"Aa" - High Quality by all standards;

"A" - Upper medium grade

"Baa" - Medium grade obligations; they are neither highly protected nor poorly secured.

Bonds in the Aa, A, and Baa are also assigned a "1", "2", or "3" based on strength. "1" as the strongest and "3" as the weakest. Please visit the link below to view the City of Manhattan bond rating reports.
