

City of Manhattan Economic Snapshot

September 2014

Community Position

Unemployment Rate

Unemployment rates listed for Manhattan, Lawrence, Topeka, and Wichita are a measure of the entire Metropolitan Statistical Area.

Source: United States Department of Labor: www.bls.gov
Kansas Department of Labor: www.klic.dol.ks.gov

Consumer Price Index (CPI), the most commonly used measure of inflation, is the average change over time in the prices paid by urban consumers for goods and services. For a detailed report of the Midwest Region, please [click here](#).

*Sep-13 rates were not available

Growth Indicators - Vehicle Registrations

It should be noted that non-Kansas military personnel have the option of registering in the county they reside in or in their home state of record.

Building Permits - Residential Housing Units

Foreclosure Filings

Riley County Foreclosures:

2010	85
2011	63
2012	70
2013	29

These are the total number of new Residential units which include single family, two family, and multi family homes.

Source: City of Manhattan Code Services Department

There are three basic levels to foreclosures:

Level 1 ~ resolved by the lender and borrower

Level 2 ~ property sold as a "short sale"

Level 3 ~ property set up for auction

The outcome of each specific filing in Riley County is unknown.

Sales Tax Increase (Decrease) Over Previous Year-to-Date

Financial Outlook

Municipal Bond Ratings & Rates

Source: City of Manhattan Bond Sale Records
www.munibondadvisor.com/rating.htm

***There were no
G.O. Bonds
issued in May 2011
or in May 2013**

Moody's Bond Rating

Ratings are assessed on the following factors: economy, debt structure, financial condition, demographics, and management practices of the governing body and administration.

"Aaa" - Best Quality

"Aa" - High Quality by all standards;

"A" - Upper medium grade

"Baa" - Medium grade obligations; they are neither highly protected nor poorly secured.

Bonds in the Aa, A, and Baa are also assigned a "1", "2", or "3" based on strength. "1" as the strongest and "3" as the weakest. Please visit the link below to view the City of Manhattan bond rating reports.
