

City of Manhattan Fireworks Ordinances:

- Fireworks can be discharged: July 1st through July 4th 8:00 am to 12:00 am (midnight)
- Fireworks can be sold: July 1st at 12:00 pm through July 4th at 12:00 am (midnight)
- It is unlawful to throw or direct fireworks in the direction of buildings, persons or other areas where a fire could start.
- It is unlawful for any person to discharge, ignite or fire any fireworks upon the public streets, alleys or avenues or in any park or public place within the City.
- Bottle rockets and other similar self-propelled fireworks or fireworks devices consisting of a tube and attached guiding stick or rod are illegal in Kansas.
- Fireworks cannot be discharged within 100' of a fireworks stand.

Fireworks Safety Tips:

- Fireworks should only be discharged under adult supervision.
- Always read the fireworks label for proper firing instructions.
- Use fireworks only in a clear area away from houses, buildings, and dry grass.
- Fireworks should not be ignited in glass or metal containers.
- Never hold fireworks in the hand when lighting. Place them on a hard level surface that is free of objects (such as gravel) that could be propelled by the firework.
- Keep observers at a safe distance.
- Do not attempt to relight any fireworks that fail to ignite. Allow sufficient time, and then dispose of them in a safe manner.
- Have a bucket of water, garden hose, or fire extinguisher available in the immediate area.
- Caution should be given to discarded fireworks. Please soak in water and discard in non-combustible container.
- Please be considerate of your neighbors and their pets when lighting fireworks.
