

14th St and Beach Ln Closures at Anderson Ave. - September 14, 2021

Road Closure:

Beginning on September 14, 2021 work on the installation of underground storm sewer, sidewalks, and street will begin at 14th and Anderson. This will result in the closure of 14th street south of Anderson Ave and Beach Ln north of Anderson Ave. Pedestrian access in all directions will also not be allowed thru the intersection of 14th and Anderson during this construction period. This closure is expected to last 6 to 8 weeks. Please be aware of detours and changes in traffic control.

Laramie St. will continue to be closed to thru traffic between N Manhattan Ave and 14th St for Parking Garage Construction.

For further information or questions please contact:
